

# Y.A.T.T.A.S. REGISTRATION 2021

## Young Artist Training To Achieve Success

Under the direction of Ms. Kenyatta Hardison, our mission is to provide young artist the opportunity to have fun as they explore their artistic abilities in an exciting, noncompetitive, nurturing environment. We work to develop creative personal realization in at least one of the performing arts areas. Our program offers Drama, Dance, Hip/Hop, and Tiny Tots Choir. All the above areas are used to prepare for performances throughout the year.

This year there will be some changes to the program. One major change is the payment process will be through Yattas.org Activenetwork.com. Y.A.T.T.A.S. will be hosting its own winter and spring recitals as well as other venues. This will give the young artists more of an opportunity to display their talents. We hope to have more exciting opportunities this coming year.
