

Class Parents Needed!!!

As of today your child's class DOES NOT have a class parent.

I know what the problem is. Everyone is thinking a parent has already signed up.

Let me clear the air. It's not true!

The class parent plays a vital role in connecting the bridge between the classroom and home.

HSA will be your support system 100%. We will provide you with the tools to be successful. Your class teacher will be your guide to classroom information and needs. You will not be alone.

HSA is your board and act as a reflection of the parent body. Please stand with us as we work to maintain an environment where our children can be successful.

For questions or concerns, see any HSA member.

You may also send an email to:
cardinalshehanschoolhsa@gmail.com

Ways to sign-up

iPhone - open camera and scan the QR code. A website will pop up. Click on it and sign-up.

Android - can go to the play store and download an app for QR reader.
