

Summer Book Report

Hello Future First Graders!

We hope you are having a FANTASTIC summer. Before returning back to school, please be sure to read the SUPER COOL book that was picked out just for you! The book's title is "What If You Had Animal Feet?"

As you are reading, take notes on the characteristics of each animal's feet. After reading, use the graphic organizer to brainstorm **different** kinds of animals and their feet. Now that you have a list of different animals, choose your favorite! Write about the feet you would like to have and why. Your writing should include at **least 3 sentences**, but are encouraged to write more. If more space is needed, the extra lined sheet can be placed on the back of your work. Once you have completed your writing section, create the feet and add them to the bottom of your report. We will share your reports during the first week back to school. *Be sure to bring your book report, the notes you took, and the graphic organizer on the first day of school for full points.*

We hope you had fun completing your summer book report as well as learned some new facts about animals. Now enjoy the rest of your summer break, and we will see you very soon for an awesome year of first grade!

Example:

Your first grade teachers,

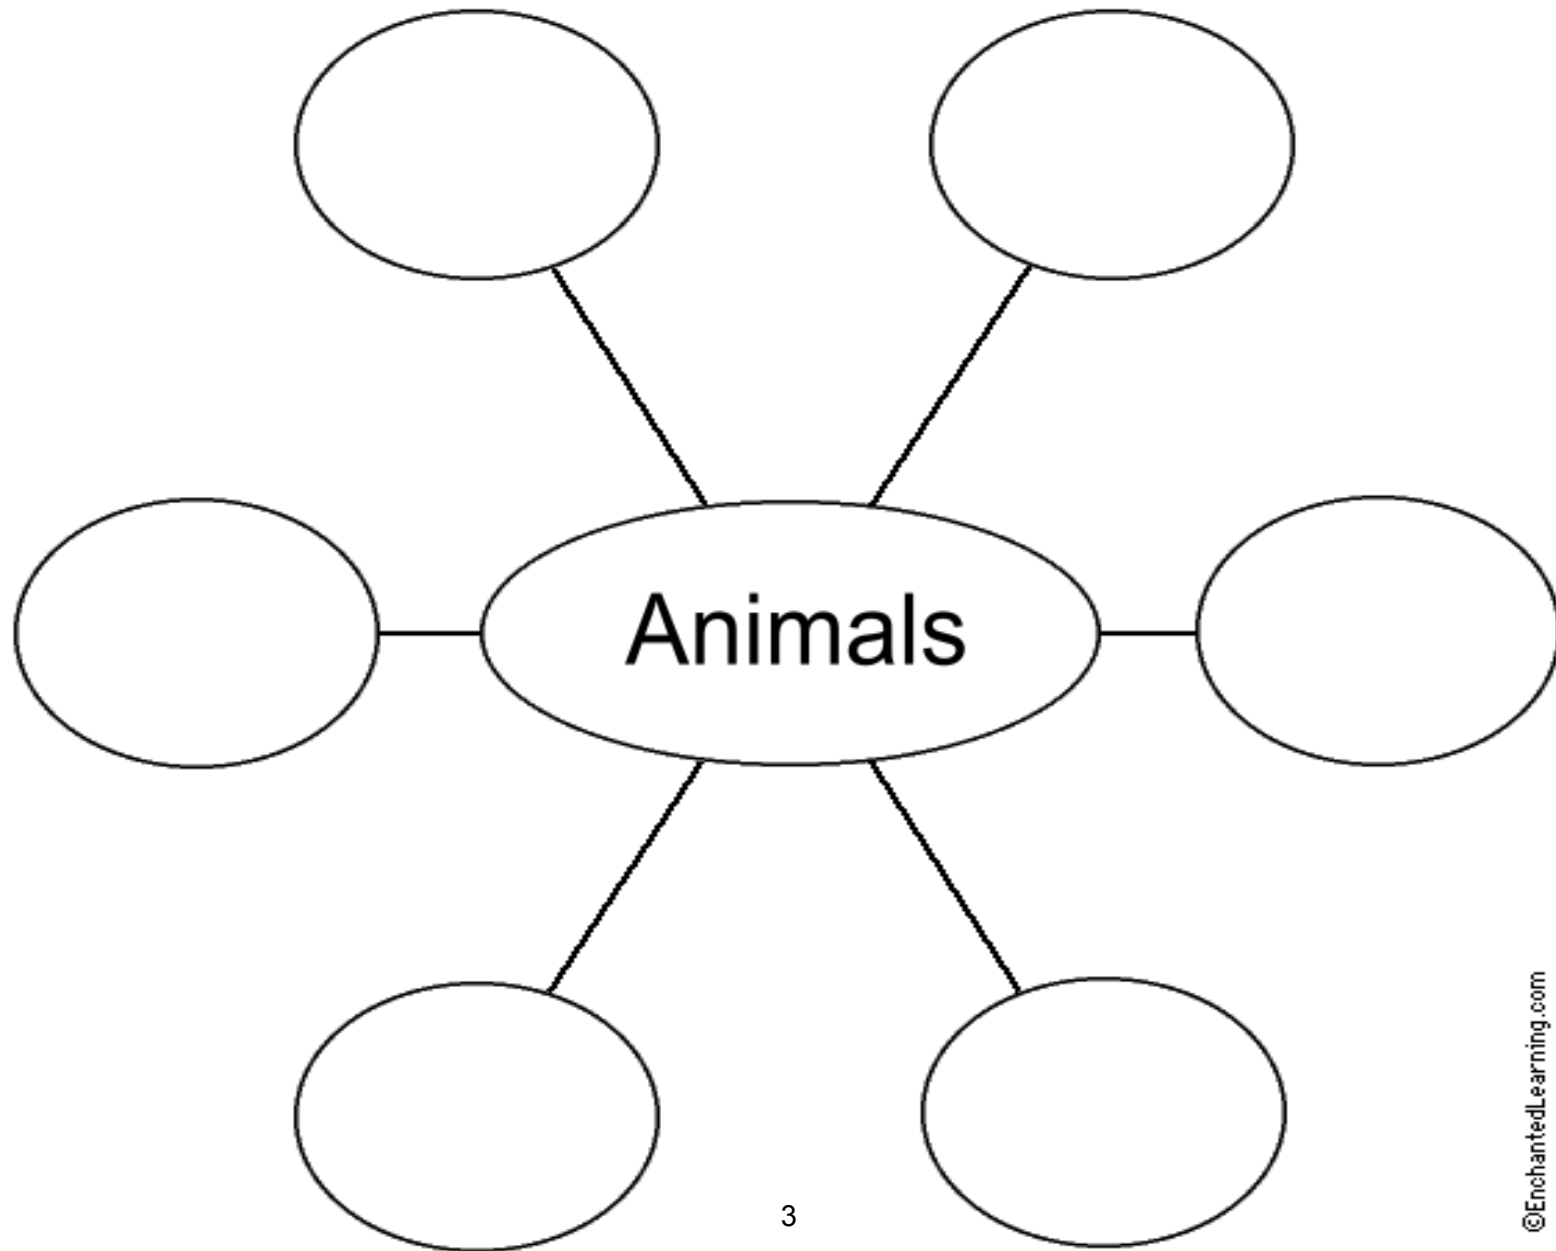

Ms. Jones and Mrs. Waller

Name: _____

Take some notes about each animal's feet as you read "What If You Had Animal Feet?"

Animal	Feet Characteristics
kangaroo	
horsefly	
lizard	
cheetah	
wolf	
platypus	
owl	
aardvark	
millipede	
mountain goat	
rhinoceros	

Graphic Organizer

If I could have animal feet, I would
want _____
