### **Greetings Cardinal Shehan Family,**

Next week begins the third week of Lent. Lent is a special time in our Catholic faith. It is a time to think about our actions, say sorry for our sins, and ask God for forgiveness. As we try to do better each day, we remember that God is always with us and has a plan for us. Soon, we will celebrate the Resurrection of Jesus. We are thankful for His love and sacrifice. Let us continue to invite Christ into our daily lives and grow stronger in our faith.

Today is the end of Trimester 2. This has been an amazing school year so far! This is a great time to talk with your child(ren) about school and why it is so important. All grade levels matter, but I want to especially highlight grades 3 through 8.

Please talk with your child about what a transcript is. A transcript is a report that shows a student's grades. When students apply to middle school, those schools look at the grades earned in elementary school. When students apply to high school, schools carefully review grades, behavior, test scores, recommendation letters, and extracurricular activities from grades 6 through 8. It is important for students to take their work seriously and protect their transcripts. Let's continue working together to help our students succeed.

During the third trimester, we will offer exciting afterschool clubs and activities in addition to our regular school clubs and electives. Some of the afterschool opportunities include Sign Language, Practice of Law, Baseball, Liturgical Dance, Choir, Sewing, and Martial Arts. Please check this bulletin for flyers with more information.

Our Black History Month Assembly was amazing this year! The Student Government, led by Mrs. Brooks, did a wonderful job highlighting important African American leaders and history through the decades. Students dressed as well-known figures such as Stevie Wonder, Barack Obama, Michelle Obama, Rosa Parks, Mae Jemison, and Mike Tyson. We learned so much and celebrated together as a school family.

Welcome, March! Let's enjoy Women's History Month and the long-awaited start of spring. Thank you for your continued support!
