Take a look at the 'Cardinal Calendar' & upcoming school events!

Greetings Cardinal Shehan Family,

Last week was an amazing week at Cardinal Shehan School! It marked the beginning of our end-of-year celebrations and activities. School spirit is stronger than ever, and we are proud of all that our students, staff, and families have accomplished together this year. We are excited about the future of our school community and look forward to an even greater year ahead. Thank you to all of our parents and guardians for your love, support, and partnership throughout the school year.

On Friday, May 29th, we proudly celebrate the graduation of the Cardinal Shehan School 8th Grade Class of 2026. This class includes 26 talented and hardworking students. We thank Ms. Jones, their class advisor, for her leadership and for helping create a beautiful graduation celebration. We are confident that our graduates will continue to do great things and make Cardinal Shehan proud. Congratulations to the graduates and their families!

Cheerleading tryouts were also held last week, with about 40 girls participating. Mrs. Johnson was very impressed with the enthusiasm and effort shown by everyone who tried out. Congratulations to the students who made the team, and we also applaud the girls who showed courage and determination by trying out.

This is the final call for donations for the Cardinal Shehan School Glo-Run fundraiser. Currently, 40% of students have sponsors for the run. Please scan the QR code to sponsor your child. All money raised will help improve technology throughout the school.

The 6th and 7th Grade Science Fair took place on Wednesday and Thursday in the gymnasium. Mr. Scott, our Science Teacher, was very proud of the students and their hard work. The projects were creative, thoughtful, and fun to explore. Topics included questions like, "Does the color of a baking pan affect the quality of brownies?" and "Which antacid works best to reduce acid reflux?" Great job to all of our 6th and 7th grade students!

The Faye Wilkes Benefit Concert was a wonderful event held last Wednesday evening at St. Matthews Church. The concert featured performances by the Cardinal Shehan Gospel Choir, the Cardinal Shehan Dance Ministry, spoken word presentations, and other student performances. The evening began with a beautiful performance of "His Eye Is on the Sparrow" by our guest artist, Mrs. Michala Williams. We thank Father Carrion, School Board Chair Mrs. Corrine Davidson, members of the School Board, and all of the parents and guardians who attended. A special thank you goes to Mrs. Arzu, Mr. Scott, Mrs. Callaway-Fuller, and Ms. Moorehead for organizing this year's concert.

Cardinal Shehan School also thanks Sergeant Harvey and the Maryland Transportation Authority Police Logistics Division for visiting our school and teaching Middle School students the basics of archery. Students had the chance to practice shooting arrows at targets set up in the parking lot. It was a fun and exciting learning experience for everyone. We are grateful for opportunities like this that allow our students to learn new skills outside the classroom.
